

CSR-1 Registration with Trust Registration Support by NGO Experts

CSR-1 registration is a mandatory requirement for any NGO, Society, or Trust that wishes to receive Corporate Social Responsibility (CSR) funding from companies under the Companies Act, 2013. At NGO Experts, we offer complete assistance for [CSR-1 registration](#), especially for organizations that already have or are in the process of **Trust Registration**. Our expert legal team ensures that your NGO complies with all regulatory requirements for seamless approval from the Ministry of Corporate Affairs.

NGOs must be registered as a Trust, Society, or Section 8 Company and should have a valid 12A certificate to be eligible for CSR-1 registration. NGO Experts guides you through every step, from document preparation to final submission on the MCA portal. We aim to simplify the process, making it hassle-free and time-efficient.

Our services are especially tailored for newly formed organizations undergoing **Trust Registration**, helping them gain access to CSR funds quickly.

Key Highlights of Our CSR-1 Registration Services:

- **End-to-End Filing Support:** Complete assistance from documentation, verification, to digital signing and uploading of Form CSR-1.
- **Combined Registration Service:** We help you with both [Trust Registration](#) and CSR-1 filing if you are starting fresh.
- **Expert Legal Guidance:** Our team ensures all compliance requirements under MCA norms are fully met.

NGO Experts is your reliable legal partner for **CSR-1 registration** and **Trust Registration**, enabling your NGO to receive CSR contributions without delays. Get in touch for fast and reliable service.
